RE: OWNERSHIP CHANGE FOR WATER RIGHT 37-10131

Dear Mr. Lehmann:

I am in receipt of the Application for Transfer of Water Right recently submitted to the department by Land Title & Escrow on your behalf. After review of the form and attachments, it appears that your intent is simply to update ownership on this water right to you. The Application for Transfer of Water Right that was submitted is used for changing an element of a water right such as the place of use or point of diversion.

To update ownership we require a Notice of Change in Water Right Ownership form. I am enclosing one of these forms for your use. Please complete the form and return to this office by December 10, 2010. I already have the deeds and correct fee. Once I receive the completed signed form, I will then make the changes to our records and send you confirmation that the change has been completed.

Thank you for your prompt attention to this matter and should you have any questions please feel free to contact me.

Sincerely,

Trish Fawcett
Technical Records Specialist
