**Re: Application for Transfer of Water Right
 McMahan Restated 1986 Revocable Trust**

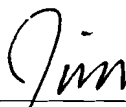

Dear Allen:

Enclosed you will find the original and one copy of an Application for Transfer of Water Right by the McMahan restated 1986 Revocable Trust. Also enclosed is our check in the amount of \$250 payable to IDWR for the required fees. The purpose of the Application is to simply change the point of diversion from an existing well which will be abandoned to a new well. The new well will provide both domestic water to the existing and a proposed new residence and, by a separate pump, irrigation water for the two acre place of use. The place of use will not change.

Please call me right away if you have any questions about the Application. Kindly have your assistant receipt date-stamp the enclosed copy of the Application and return it to me in the postage-prepaid self-addressed envelope included for that purpose.

Sincerely yours,
