DEPT. OF WATER RESOURCES
SOUTHERN REGION

Dear Mr. and Mrs Ritter;

I have reviewed your request to modify water right no. 37-49 from the Little Wood River. This will transfer the point of diversion for a new pumping station. I understand this is needed for you to complete an upgrade to your irrigation system. Since this point of diversion remains on the same real estate security, and will not lessen the value of your real estate security, we have no objection to the transfer filing.

If you have any questions, you can contact me at 324-4325 ext 110.

Sincerely,

Beth Sant
Farm Loan Officer
