Subject: 47-7090 et al (Brubaker) lease condition

Hi Paul,

Pursuant to our conversation this morning regarding the agreement between Brubaker and TFCC, here is the condition I propose putting on the lease acceptance:

1. The operation, use and administration of this water right is subject to the terms and conditions of the agreement with Twin Falls Canal Company recorded in the Twin Falls County Records Office as Instrument No. 231297. Prior to rental of the right from the bank, additional review may be required to confirm the availability of the water source. Applications proposing to rent water under these rights propose withdrawing water from the seep tiles governed by the agreement between the right holder and Twin Falls Company.

Let me know if you or your client have comments. Thanks!

Monica
