Subject: City of Rexburg, Transfer 76375

Jeff and Shelley,

On a more serious note, we have been waiting for our copy (paper or electronic) of the approved transfer for the City of Rexburg. We have not yet received our copy and, in preparation to tomorrow's meeting, we find today through the Department's database that it was signed and issued on the 12th of November. Normally, we wish to look over the transfer to assure that it correctly reflects the water rights in all aspects during the 14 day period following issue. Since, we were able to preview the transfer before it was issued, we are hopeful that nothing has been changed or added to. However, I write this to notify you that we were not and have not been provided any approved copy of the approved transfer for review and that if it contains any typographical errors or other condition of error, we reserve the right to notify the Department as if today were the date of original issue.

Best regards,

Roger
