13N 19E 14	2.2																2.2

Total Acres: 37

CONDITIONS OF APPROVAL

1. The right holder shall make full beneficial use of all Challis Irrigation Company water rights available to the right holder for irrigation of the lands authorized to be irrigated under this right. The right holder shall limit the diversion of water under this right to those times when the Challis Irrigation Company water supply is not available or is not reasonably sufficient to irrigate the place of use authorized under this right.
2. If the Challis Irrigation Company water right(s) appurtenant to the place of use is abandoned, forfeited, sold, transferred, leased or used on any other place of use, this right to divert water from Warm Spring Creek shall not be used without an approved transfer pursuant to Section 42-222, Idaho Code, or approval of the Department if a transfer is not required.

State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 72-07360

3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 170.
4. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor exceed a combined annual maximum diversion volume of 129.5 af at the field headgate for the lands above.
5. This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the lands above.
6. The issuance of this right does not grant any right-of-way or easement across the land of another.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 29th day of November, 2010.

for GARY SPACKMAN
Interim Director
