RE: Change in Ownership Water Right No. 74-14617

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- **** **Filing Fee** of \$100 per water right for changes resulting from division of a water right
- **** **Completed form** (the portion of the form where the water right number should be listed is incomplete)
- **** **Evidence of Water Right Ownership:** Full chain of title back to David Yanoff, who is the current owner of the water right listed above that you may have an interest in.

During our review the department found some missing information that are required in order for your application to be complete. The water right number portion of your application was incomplete. During our review of the documentation submitted it appears you may a partial interest in water right number 74-14617. There is a fee associated with a "Notice of Change in Water Right Ownership," the fee for a split is \$100.00 per water right. Also the current owner of the above mentioned water right is David Yanoff in order for the department to complete your request a full chain of title back to the owner on record will be required.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
