RE: Change in Ownership Water Right No. 35-12837

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy, or other legal document indicating your ownership of the property and/or water rights in question

On November 24, 2010 our department received an ownership change along with a copy of a recorded Deed of Reconveyance as evidence of Ownership. On November 24, 2010 the department sent out a deficiency letter indicating that this was insufficient documentation to prove ownership and requesting a 'recorded' Warranty Deed indicating your ownership. On November 29, 2010 the department received a copy of your Warranty Deed; however the document was not recorded with the county. Please supply a full copy of the 'recorded' Warranty Deed at your earliest convenience.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
