RE: Refund Request- IDWR Receipt # S029961

Dear Allen,

A letter was submitted to IDWR on October 27<sup>th</sup> 2009 requesting the withdrawal of water right transfer 74480. In the same letter, a request was made to appropriate the filing fee associated with water right 36-7267 (receipt #S029961) involved in transfer 74480, to pending water right transfer 74429 as water right 36-7267 involved in transfer 74480 was intending to be moved and added into transfer 74429. During the processing of transfer 74429, a decision was made not to include the 16.1 acres of water right 36-7267 within transfer 74429. As a result, the original filing fee of \$100.00 (receipt #S029961) paid to IDWR for a portion of water right 36-7267 needs to be refunded to Brockway Engineering because that portion of that water right was never listed in an approved water right transfer. This letter serves as a formal request for the refund associated with 36-7267 and transfer 74480 (receipt #S029961).

Please copy our office on all correspondence regarding this matter. Thank you for your assistance and if you have any questions or comments, please don't hesitate to give me a call.
