RE: Change in Ownership Water Right No. 35-12837

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

On November 24, 2010 our department received a copy of a recorded Deed of Reconveyance. A Deed of Reconveyance indicates the release of deed of trust. In order for the department to complete your request we need a full recorded copy of a recorded deed indicating the purchase of the property, typically this document is called a Warranty Deed, or a Title Policy or other legal document indicating your ownership of the property and/or water right in question.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
