Dear Mr. Westra:

RE: Response to 2nd Amended Applications:
Application for Permit No. 65-23305 f/b Lake Reservoir Co.
Application for Transfer No. 74962 (65-02923C, 65-02923E) f/b Lake Reservoir Co.

After review of the 2nd Amended Applications for Permit 65-23305 and Transfer No. 74962 filed by Lake Reservoir Co., it has been determined that all of BLM's protest issues have been resolved except one. BLM stated in the protest that the Claimant would need to adjust the shapefile to exclude BLM land. The shapefile describes where the irrigated acres are located for the place of use element. The shapefile currently contains an intrusion onto BLM land in the NWSE, S02, T08N, R05W.

In conclusion, BLM's protest has not been resolved. If there are questions regarding any statements above, please do not hesitate to contact me at (208) 373-3831 or at the address provided above.

Sincerely,
