RE: Notice of Change in Water Right Ownership No(s). 65-1545, 65-2450, 65-2631, 65-10532, 65-13653 & 65-19652

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of the Notice of Change in Water Right Ownership. Our review of the notice indicates that additional information is required before we can process the change. The Sheriff's Deeds you provided do not cover the all the water rights. The water right in question is 65-1545 which is located in Township 06N, Range 02W, Section 22 SENW. If you have additional deeds, please submit them to the address above or you can fax them to 208-334-2348.

If you cannot provide the deed to cover this water right, the ownership change for this particular water right will not be changed. I have enclosed a copy of the Water Right proof report for your review.

Because the Department cannot process the ownership change without proper documentation or fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
