PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 67-14496

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use form ("proof") and the license examination fee for the above-referenced water right permit. Enclosed is an order that reinstates the permit, since proof and the license examination fee were submitted after the proof deadline. Please note that the priority date for this permit has been advanced to March 11, 2005, as provided in section 42-218a(2), Idaho Code.

The chain of title submitted on August 1, 2006, shows that Margaret A. Muller, surviving trustee of the Ferd and Margaret Muller Trust granted, bargained, sold and conveyed the property unto AIRDOG, LLC. The department is unable to modify its records to reflect the change in ownership until licensing. However, you may file a change in ownership form now, and the department will hold the form until licensing. I am enclosing an ownership change form for your use.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

If you have any questions concerning the field examination, please contact the Western Regional Office of the department in Boise, Idaho at 208-334-2190.

Sincerely,

Darla Block

Technical Records Specialist
