RE: Change in Ownership of Water Right No. 65-1545

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

Water right 65-1545 has a place of use that is located in the SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 22, Township 6N, Range 2W. The deed recorded as instrument no. 279640 does not cover this water right. I have enclosed the water right report for your review. In order to complete the change in water right ownership, the department will need to see the conveyance document, which covers the above listed place of use.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
