RE PERMIT NO 95-10768

Dear Mr. Edwards:

I am enclosing a **corrected receipt No. N026229** for the Statement of Completion you dropped off at our office today. The only change is in the Permit number referenced.

The correct number for your Permit is 95-10768, not 95-10786 as referenced on your Statement of Completion.

I am also enclosing a copy of the Proof Due Notice you received earlier from our State Office, and a copy of the Permit, both of which indicate the Permit Number is 95-10768.

In forwarding this down to the State Office I have called the number difference to their attention.

If you have any questions concerning this, you should contact Darla Block or Emalee Rushing at our State Office in Boise, and the main number at Boise is 208-287-4800.

Sincerely,

Dianne Ball
Administrative Assistant
