RE: Proof Due Notice Returned Undeliverable

The department sent out a proof due notice October 29, 2010, to the owner of record on this permit. The proof due notice was returned to us undeliverable as addressed on 11/17/2010.

On 11/09/2010, the department received a copy of a letter that Michael Creamer of Givens Pursley LLP sent to the Lakeland Homeowners' Association c/o Beth Punches. In this letter, Mr. Creamer states that Ron Bath no longer has an interest in this permit. Mr. Creamer goes on to say that this permit is the responsibility of the Lakeland Homeowners Association, and that he does not represent the Lakeland HOA.

Having much difficulty locating a current address for Ron Bath of Lakeland Village LLC, I decided to give Mr. Creamer of Givens Pursley a phone call. After speaking with Mr. Creamer on November 17, 2010, it is my understanding that Beth Punches, to whom he sent the letter, called his office to let him know that she has nothing to do with Lakeland Homeowners' Association. Mr. Creamer gave me a current address for Ron Bath of PO Box 2620 Eagle ID 83616. He also gave me a phone number of #323-1080 for Advantage Idaho, a Management Company for the HOA, and suggested that I ask for Carla Everhart.

On November 18, 2010, I resent the proof due notice along with an assignment of permit form to Ron Bath at PO Box 2620 Eagle ID 83616.
