RE: APPLICATION TO LEASE ALL OR PART OF WATER RIGHT NO. 37-496F (NOW WATER RIGHT NO. 37-496G) TO THE WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your application to lease water right no. 37-496F to the Water Supply Bank ("Bank"). The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

In your application, you stated you wished the lease to be indefinite. The Department is no longer accepting indefinite leases. The maximum lease period is five years, at which point the lessor can apply again. Therefore, the right will automatically be released from the bank on **December 31, 2015**, unless the right is released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right(s) from the Bank, you must submit a request in writing to the Department prior to the release date.

Also, be advised **your water right number has changed from 37-496F to 37-496G** and refer to the new water right number in all future correspondence. Bank records will be updated, as well.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
