RE: Marion and Judy Groothuis – Applications for Extension of Time to Avoid Forfeiture

Dear Mr. Withroe:

We are in receipt of your correspondence dated November 5, 2010, regarding Applications for Extension of Time to Avoid Forfeiture on Rts. 63-32403 and 63-32412 and offer the following. We sent correspondence on September 20, 2010, requesting the applicants withdraw the applications and request a refund of their filing fees within 30 days of the date of our letter. We also stated in our letter that a refund would not be made if the request was not made within the 30 day period.

We withheld action on the applications until October 26, 2010, and did not receive a reply to our request. On October 27, 2010, we issued a preliminary Order Voiding the Applications so they are no longer valid. Since we did not receive your request until the applications had been voided we will not refund the filing fees.

If you have any questions concerning this matter, please feel free to contact our office.

Sincerely,

A handwritten signature in black ink that reads "Kay Walker". The signature is written in a cursive, flowing style with a large loop at the end of the last name.

KAY WALKER  
Sr. Water Resource Agent
