Re: *Lakeland Homeowners' Association Water Right #63-31934*

Dear Ms. Punches:

I recently received the enclosed Proof Due Notice from the Idaho Department of Water Resources concerning the water rights used at Lakeland Village for aesthetic purposes in the series of ponds. Ron Bath no longer has an interest in this permit, it being the responsibility of the Lakeland Homeowners Association.

I also do not represent the Lakeland HOA. I am forwarding this notice because the Department apparently has not revised its records and incorrectly sent it to me. Note that there are important deadlines for filing the required proof of beneficial use for this water right. Failure to do so may result in the water right being revoked.

If the Lakeland HOA would like my assistance in this matter, my contact information is included above.

Sincerely

Michael C. Creamer
