RE: Application for Permit No. 36-16868 by Billingsley Creek Ranch Idaho LLC

Sirs,

We appreciate the opportunity to comment on this proposed water right. Big Springs Water Users Association supports the application for permit no. 36-16868 on the condition that this will be a wastewater right, not a right to divert 6 cfs of water directly from the Big Springs Water Users Association system. We expect Billingsley Creek Ranch Idaho LLC will work cooperatively with the owner of the fish rearing facility on operation of the pipeline that will supply the wastewater.

Respectively Submitted by,

Gary Lemmon, President
