RE: Application for Permit No. 36-16868 by Billingsley Creek Ranch Idaho LLC

Sirs,

I appreciate the opportunity to comment on this proposed water right. Since the source of water for this permit is water leaving my fish rearing facility located on my property, the source water is, in fact, wastewater. Thus, I support the application for permit no. 36-16868 on the condition that this will be a wastewater right.

Respectively Submitted by,

Kim Lemmon
