Dear Mr. Marshall,

As per our telephone conversation this letter is to notify the Department that we would like to continue the enrollment of the water rights which were placed with the state waterbank during 2008. The water rights were: 36-7052 and 36-7828. Please the amend the original application for two more years for a total of three years. The commitment of those rights into the waterbank would then expire December 31, 2010.

If you have any questions or need anything else please contact me at the above address or phone numbers.

Sincerely,

Frank Suchan
