Allen-

Please see the revised 2 shapefiles which exclude the Eames Ac. Inc parcel from T.7S R.24E SEC 36 NENE although I do not have the parcel data to snap to so my amended PPU shapefile may be a little off of the Eames parcel. The proposed WG Farms LLC PPU is intended to boarder the Eames parcel and I ask that you edit my proposed shapefile to snap to the Eames parcel and notify me if more or less than 4 acres will be included in the WG Farms LLC PPU in that QQ. I also included the parcel in T.7S R.25E SEC 17 NWNW back into the PPU as it is owned by WG Farms according to the tax lot pictures that you sent me last week. I also have the deed for T.7S R.25E SEC 18, 19 as you requested last week.

I will re-submit the amended Part 1A paperwork with the missing deed after I hear from you on whether or not the shapefiles include only lands owned or leased by WG Farms LLC. Although the 2 attached shapefiles are named the same as those I sent you last week, the attached files are intended to replace the files I sent last week, please delete the older shapefiles. Please give me a call to discuss, thanks.
