RE: Notice of Change in Water Right Ownership

Dear Mr. Williams:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for water right nos. 29-13384 and 29-294F. While comparing the place of use for the water rights to the property described in your deed, I found that water right no. 29-7109 is also appurtenant to your property.

I also note that the Department received \$25 with your request. The statutory fee for an ownership change is \$25 **per** water right. In order to complete the change in ownership as requested, please submit the additional fee of \$25. If you would like to add water right 29-7109 to your notice, please submit a total of \$50.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
