RE: APPLICATION TO LEASE ALL OF PORTION OF WATER RIGHT NO. 35-7666 TO THE WATER SUPPLY BANK

Dear Applicant:

On June 19, 2008, the Department received your application to lease water right 35-7666 to the Water Supply Bank (Bank). Water Supply Bank Rule 25 (also known as IDAPA 37.02.03.025) requires the Department to evaluate whether the water right has been lost through abandonment or forfeiture as defined by Section 42-222(2), Idaho Code. Section 42-222(2) states, in part, "All rights to the use of water acquired under this chapter or otherwise shall be lost and forfeited by a failure for the term of five (5) years to apply it to the beneficial use for which it was appropriated."

A review of aerial photography between 2002 (when the right was partially decreed in the Snake River Basin Adjudication) and 2008 shows no evidence of irrigation on the acres proposed to be leased to the Bank. The proposed acres are commonly called the pivot corners, or corners that would no longer be irrigated when a pivot is installed.

Because of this evidence of more than five years of non-use, the requirements of Water Supply Bank Rule 25 can not be met and we must deny your lease application.

Please contact me at (208) 287-4907 if you have any questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
