Subject: Change of Ownership for Water Right Permit 47-8082
Attachments: Warranty Deed C-O.pdf; Receipt for c-o & Lic amendment.pdf

Dear Mr. Stone,

The Idaho Department of Water Resources (IDWR) received the Licensing amendment for 47-8082 along with a Notice of Change in Water Right Ownership form on 10/15/10. I hope it is ok that I contact you by e-mail. I got your e-mail address off of your completed change of ownership form.

Almost everything looks good, but I am missing one thing. With the change of ownership, you were asked to send a copy of the deed that shows you are owner of the property that the water right is applicable to. The warranty deed references a legal description under the first paragraph:

SEE ATTACHED LEGAL DESCRIPTION

I have attached a copy of the page referencing the legal description for your reference.

In order to process the change of ownership, I need a copy of that legal description. It does not appear to have been included with the packet of information received. I have to be able to confirm that the property that was conveyed to you through the warranty deed is the property the water right is applicable to.

For convenience sake, you could e-mail me a scanned copy of that page(s)? Or you could fax me a copy of that page? Or you could just mail a copy to me at:

IDWR
ATTN: Craig L. Saxton
PO BOX 83720
BOISE ID 83720-0098

Whatever is easiest for you.

If you have a second, could you quickly reply to this e-mail just so I know you received it. If I don't hear from you, then I will send my request by regular mail.

In addition, I am attaching a copy of your receipt to this e-mail for your records.
Please feel free to contact me with any questions.

Respectfully,

Craig L. Saxton
Water Rights Supervisor
