RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK
WATER RIGHT NOS.: 36-16127 AND 36-16129

Dear Mr. Dalley:

On May 19, 2009, the Department received your applications to lease portions of water rights 36-16127 and 36-16129 to the Water Supply Bank, along with your application to rent those portions to a different tract of land. The proposed rental location is listed as, "Seeking supplemental flow on 52.1 enlargement acres within Tract D, Sec 22, 27, 28 7S 24E (total area 212 ac)."

The rental application requests you supply "the number of acres to be irrigated by 40-acre tract, section, township and range." We need a more complete and detailed list of acres to be irrigated before we can process the application, specifically a list of acres by 40-acre tract. Therefore, we are returning the application to you. You can resubmit the application once you have corrected the place of use description.

Please feel free to contact me at (208) 287-4907 if you have questions.

Sincerely,
