RE: Water Supply Bank Lease for 35-2426
Water Right Nos.: 35-2426, 35-13991, 35-13992

Dear Lessor:

This letter is to update you on the status of your water right, 35-2426, for irrigation of 291 acres in Bingham County. This water right was leased into the Water Supply Bank under a previous owner's name, KBC Farms LLC. A change of ownership was received and resulted in you owning part of the original water right, now numbered 35-13992. **Your water right is considered leased into the bank, and should remain unused, until you release it from the bank.**

If you wish to leave your water right leased to the bank, and unused, you do not need to do anything. To release your water right from the bank, go to the following url, complete the form and mail it: http://www.idwr.idaho.gov/RulesStatutesForms/WaterRights/PDFs/Water_Bank_Release_or_Extension.pdf.

Again, your water right is considered leased to the bank, and should remain unused, until you release it. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
