Bob Montgomery, attorney for applicant, Elk Creek Corp., called . You granted an extension To 12-15-10 for the applicant to work with the protestant, Idaho City . Mr. Montgomery says the applicant wants to move forward with a prehearing conference. They have made a few attempts to work with the protestant, who keeps telling them that they will set a meeting but never do.

I told Mr Montgomery that I would refer this to you and I explained the prehearing and the hearing process. So, he is expecting correspondence re available dates, etc.
