To Whom It May Concern:

DEPARTMENT OF
WATER RESOURCES

I had spoken with Erin the other day, concerning putting some of our water rights into the bank, and he told me to fill out the on line application.

I have done this and am now mailing it to you. If you have any questions, please don't hesitate to call (208-776-5177).

I would imagine that you send out a letter to show you have received the application.

Thank You Brook West
