**RE: APPLICATION TO LEASE AND RENT WATER RIGHT NO(S). 45-2254A, 45-2382
AND 45-2520 TO THE WATER SUPPLY BANK**

Dear Applicant:

The Department of Water Resources ("Department") has completed its review of your applications to lease and rent the above-mentioned water right numbers to the Water Supply Bank ("Bank"). The offered water rights are accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptances. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification. The rights will automatically be released from the bank on **November 16, 2010**.

I have enclosed Water Supply Bank Rental Agreement for your review and signatures. Upon signature and return of the original agreements, together with the rental fees described below, the Department will also sign the original agreement and return an executed copy to you. Execution of the agreement and compliance with the conditions of approval authorize diversion and use of water as provided in the agreement.

The rental fee varied from 2005 to 2010; the annual rental fee is shown on the first page of each agreement. The rental fees were calculated based on the current rental rate of \$14.00 per acre-foot times the diversion volume. The total fees due for 2005 through 2010 are **\$19,592.00**.

Please send a check made payable to the Idaho Department of Water Resources, together with the signed rental agreement, to my attention within 14 days so I can complete the processing.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
