Dear Applicant:

On June 14, 2010, the Idaho Department of Water Resources (Department) received your Water Supply Bank (Bank) lease and rental applications. In the applications to lease water right nos. 51-13007, 51-13008, 51-13035, and 51-13037 to the Bank, you indicated that you are currently listed in the Department's records as the owner of the offered rights. However, the Department's records list M & W KMA LLC as the current owner of rights 51-13007 and 51-13008 and Linda and Melvin Harder as the current owners of rights 51-13035 and 51-13037. Please provide documentation of your authority to sign on behalf of the water right holder or submit a Notice of Change in Water Right Ownership form along with the required documentation and fee.

Dusty Standlee signed the applications on behalf of Standlee Family Limited Partnership. However, the Certificate of Limited Partnership on file with the State of Idaho lists Michael G. Standlee as the only member of the partnership. Please provide documentation signed by Michael G. Standlee authorizing Dusty Standlee to act on behalf of Standlee Family Limited Partnership.

Please provide the requested documentation within thirty (30) days of the date of this letter so the Department may continue processing your applications. If the Department does not receive the requested information timely, your applications will be returned. Please contact me if you have any questions.

Sincerely,

Aaron Marshall, P.G.

Re: Blue Gulch Farms

Dear Mr. Marshall:

It is desired by Standlee Family Limited Partnership to lease 220.3 acres of water to the Idaho Water Supply Bank. The 220.3 acres will be leased from water rights 51-13007, 51-13008, 51-13035 and 51-13037. All four of these water rights were decreed in 2007. The 220.3 acres identified to be leased will not be irrigated and are identified by the attached maps. These rights are to be included in a large 5196 acre PPU that will be created with a transfer that will soon be submitted to IDWR. The 3907.8 acre POU within the 5196 acre PPU will be reduced by 220.3 acres.

It is further desired by Standlee Family Limited Partnership to rent from the Idaho Water Supply Bank an amount of 504 acre-feet annually to irrigate 126 acres. The 126 acres are owned by a Mr. Ed Aregues in which Standlee Family Limited Partnership has an agreement to irrigated 126 acres with water owned by Standlee Family Limited Partnership.

All water rights involved will have current ownership names changed to Standlee Family Limited Partnership with the pending transfer application.

Please copy our office on all correspondence regarding this application. Thank you for your assistance and if you have questions or comments, please don't hesitate to call.

Sincerely,

Greg Sullivan, M.S., E.I.T.
