RE: Notice of Change in Water Right Ownership

Dear Baker Family:

I have reviewed the documentation submitted in support of the Notice of Change in Water Right Ownership for water right no. 65-443. The deeds submitted only cover a portion of the water right. It appears that the property has been divided primarily between the three of you.

In order to complete the change in ownership, each property owner will need to submit a Notice of Change in Water Right Ownership, the \$100 fee to split the right, and submit a copy of the deeds which intersect with the water right. Based on tax lot data, I have created a table which gives rough calculations of how many acres of irrigation intersects with the corresponding property. These calculations are based on imagery which may be slightly off. Once the deeds are submitted, I will be able to correctly divide the water right.

There is also a domestic use for one home. It is my understanding that the home is located on Kenneth Baker's property. The home appears to be either located in the SE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 9 (parcel #RP09N04E096651), or NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 15 (parcel #RPC00040153000). If you could verify the correct location for the domestic use it would be helpful. The other point that needs to be clarified is the location of the stockwater use or how the stockwater should be divided. The total diversion rate for the stockwater is 0.07 cfs, and the minimum division would be 0.01 cfs.

The new owners of each portion of the water right will match the name(s) listed on the deed. If some of the Kenneth Baker property is in the name of Kenneth & Cheriye Baker, then that would require an additional split from those that are just in the name of Kenneth Baker.

For your convenience, I am enclosing a blank Notice of Change in Water Right Ownership and a copy of the partial decree. The form is also available in a fillable format on the department's website at www.idwr.idaho.gov. If you need any further assistance, please call me at 208-287-4952.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
