RE: Change in Ownership for Water Right 65-443

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received on 9/12/2006. Our review of your application indicates that additional information is required before we can process the change.

There is a discrepancy between the legal description in the Bargain and Sale Deeds you submitted and the place of use for the water right. I have enclosed a copy of the water right for your reference. The deed does not cover the water right areas in T9N R4E Sec10 SESW, or T9N R4E Sec15 NENW & NWNW.

To complete the ownership change as submitted, we will need proof of ownership of the entire water right place of use. Or, the water right can be split. The fee for an ownership change resulting in the division of a water right is \$100. The \$25 received with your application can be applied to a split fee, in which case \$75 would be due.

The Department cannot process the ownership change without proper documentation. We will hold your application for 60 days pending receipt of the necessary information or fee. If we do not receive the documentation within that time, we will return your notice and all attachments unprocessed.

Please feel free to contact me at dayna.ball@idwr.idaho.gov or 208-287-4953 if you have any questions regarding this matter.

Sincerely,

Dayna M. Ball
