RE: Permit No. 96-9245

Dear Permit Holder(s):

The Department received your request for extension of time on September 15, 2010.

Per our telephone conversation on October 19, 2010, it is my understanding that the development of your project is complete, and the water has been applied to its beneficial use. I am returning your request for extension of time form, as it was not the form you planned to file.

Enclosed is a statement of completion form for submitting proof of beneficial use ("proof"), and instructions for filing proof. You paid \$50.00 for the extension request that was submitted by mistake. Therefore, I will have the \$50.00 you already paid re-applied to the license examination fee which equates to the same amount. To provide you with information regarding the permitted water uses and rate of diversion enclosed is a copy of the permit for your reference.

Please be advised that your proof due date is November 1, 2010 as mentioned in the proof due notice sent out to you on August 31, 2010.

If you have any questions, please feel free to contact me at 208-287-4945.

Sincerely,

Darla Block
Technical Records Specialist
