RE: WATER Permit # 81-11978
Measuring Device & Data Logger Requirement

Dear Mr. Marshall,

Thank you for your October 30, 2008 letter informing us of the Measuring Device & Data Logger requirements. It was a pleasure meeting you on July 29, 2008. We left for Louisiana before receiving your October 30, 2008 letter, thus the delay of this response. We are just now getting back to Idaho and going through the mail.

By way of this letter, we are requesting

the removal of the measuring device and
data logger requirements for permit
#81-11978 (as per your October letter).

A favorable response will be
appreciated

Sincerely

Ken & Mona Sutton
