RE: Change in Ownership Water Right No. 35-13536

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** 'recorded' copy of Warranty Deed or other legal documentation indicating your ownership in the above water right.

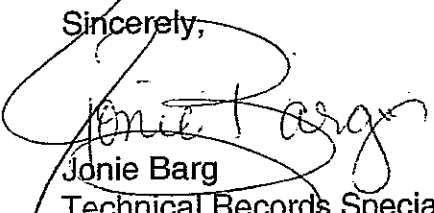

On August 13, 2010 our department received a response to the deficiency letters sent to you on December 10, 2009 and March 31, 2010, however the Warranty Deed submitted was signed and notarized but not recorded with the county. In order for our department to complete your request we will require a copy of the 'recorded' deed. Please submit the requested information at your earliest convenience.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
