Re: Change in Water Right Ownership for Water Right 36-16754

Dear Mr. and Mrs. Staten:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

_____ **Filing Fee** of \$25 per water right

 X **Evidence of Water Right Ownership:** copy of your Warranty Deed with legal description. The Deed of Reconveyance you submitted does not contain a legal description of your property. Please provide a copy the warranty deed with a legal description from when you originally obtained the property so that we can accurately determine the amount of water appurtenant to your parcel.

Thank you for your prompt attention to this matter. Please feel free to call with any questions you may have.

Sincerely,

Trish Fawcett
Technical Records Specialist
