RE: Notice of Change in Water Right Ownership
Claim No. 63-3226

To whom it may concern,

I am submitting a Notice of Change in Water Right Ownership for Claim Number 63-3226. As requested, I have enclosed the application form, map, and supporting conveyance documents. In addition, I thought a little background would be helpful.

My wife and I recently built a house on the Southeast 8 acres of the original 32 acre parcel. The original 32 acre parcel was split into two 16 acre parcels. Then, Tradition Custom Homes acquired the East 16 acres and split its newly acquired 16 acre parcel into two 8 acre parcels (North and South parcels). Tradition Custom Homes recently built our home and sold us the South 8 acre parcel.

I have enclosed a copy all of the recorded documents that show a chain of title going back to Karen A. Saleen, who is the water right owner of record.

Thank you,

A handwritten signature in black ink, appearing to read 'David', followed by a long horizontal flourish.
