Dear Darla:

Enclosed for Department review and licensing is a Beneficial Use Field Report for Permit 65-22912. A Statement of Completion for Submitting Proof of Beneficial Use was submitted January 25, 2010. Because SPF Water Engineering has conducted the licensing exam, please refund Jug Mountain Ranch, LLC the \$100 filing fee submitted with the proof form.

Thank you Darla. Please contact me with any questions.

Sincerely,

A handwritten signature in black ink, reading "Terry M. Scanlan". The signature is fluid and cursive, with the first name "Terry" being more prominent.
