RE: Protest on Transfer #66354 (old #4930) – Buckeye Farms

Dear Mr. Arkoosh:

You represented Aqua Life Inc in the protest filed against the above referenced transfer in 1996. It involved rights 36-15 and 36-18 for irrigation from Weatherby Springs and Billingsley Creek. At this time the Department requests, in writing, an indication of your client's continued interest in the protest.

We have contacted the applicant and encouraged them to try and resolve the protests if they wish to continue to pursue the application. If your clients are still interested in the protest and no resolution is accomplished within a few weeks, a pre-hearing protest conference may be scheduled and you will be contacted for available dates.

If you wish **to withdraw the protest, please sign and return the enclosed withdrawal form** by September 30, 2010.

If you have questions, please feel free to contact this office.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeanie', is written over the printed name.
