In Re SRBA

Case No. 39576

Subcase No.: 27-12076
(Hayden)ORDER SETTING ASIDE AND
AMENDING PARTIAL DECREE

On September 29, 2008, a *Partial Decree* was issued for the above-captioned right. On November 18, 2008, IDWR sent correspondence to the Court explaining that in reviewing the recommendations in Basin 27, they discovered that a correction to this water right was necessary. The matter was referred to the Special Master for further proceedings. On August 11, 2010, the Special Master issued a *Special Master's Report and Recommendation* recommending that the *Partial Decree* be set aside and an *Amended Partial Decree* be issued. No challenges were filed to the *Special Master's Report and Recommendation* and the time for filing Challenges has now expired.

Pursuant to I.R.C.P. 53(e)(2) and *SRBA Administrative Order 1*, Section 13f, this Court has reviewed the Findings of Fact and Conclusions of Law contained in the *Special Master's Report and Recommendation* and wholly adopts them as its own.

Therefore, IT IS ORDERED that the *Partial Decree* for the above-captioned water right is hereby set aside and amended as set forth in the attached *Amended Partial Decree Pursuant to I.R.C.P. 54(b)*. The previously issued *Partial Decree* is replaced and superseded thereby.

DATED: September 29, 2010.
