The subject portion of Pond No. 1 was annexed into the subdivision in 1994 as evidenced by the recorded First Amendment to Master Declaration (attached). SECTION 6.02. Members. Each Owner (including the Grantor) of a Lot by virtue of being such an Owner and for so long as such ownership is maintained shall be a

Member of the Association and no Owner shall have more than one membership in the Association, but shall have such voting rights as hereafter set forth. A membership in the Association shall not be assignable, except to the successor-in-interest of the Owner and a membership in the Association shall be appurtenant to and inseparable from the Lot owned by such Owner. A membership in the Association shall not be transferred, pledged or alienated in any way except upon the transfer of title to said Lot and then only to the transferee of title to said Lot. Any attempt to make a prohibited transfer of a membership shall be void and shall not be reflected on the books of the Association.

SECTION 6.03. Voting. The Association shall have two (2) classes of voting membership:

CLASS A. Class A Members shall be all Owners of Lots within The Woods No. 3, with the exception of the Grantor, and shall be entitled to one (1) vote for each Lot owned.

CLASS B. Class B Members shall be the Grantor. Upon the first sale of a Lot to an Owner, the Grantor shall thereupon be entitled to five (5) votes for each Lot owned by the Grantor. The Class B membership shall cease and be converted to Class A membership when the total votes outstanding in the Class A membership exceeds the total votes outstanding in the Class B membership.

SECTION 6.04. Board of Directors and Officers. The affairs of the Association shall be conducted by a Board of Directors and such officers as the Directors may elect or appoint, in accordance with the Articles and By-Laws, as the same may be amended from time to time.

SECTION 6.05. Powers of Association. The Association shall have all powers of a non-profit corporation organized under the laws of the State of Idaho subject only to such limitations as are expressly set forth in the Articles, the By-Laws or this Master Declaration. It shall have the power to do any and all lawful things which may be authorized, required or permitted to be done under the Articles, By-Laws or this Master Declaration, and to do and perform any and all acts which may be necessary or proper for, or incident to, the proper management and operation of the Common Areas and the performance of other responsibilities including, but not limited to, the following:

- (c) Delegation of Powers. The authority to delegate its power and duties to committees, officers, employees, or to any person, firm or corporation to act as manager.

- (e) Association Rules. The power to adopt, amend, and repeal such rules and regulations as the Association deems reasonable. Such rules shall govern the use by Owners and Occupants or any other person of Common Areas and other property owned or controlled by the Association; provided, however, Association rules shall not discriminate among Owners and shall not be inconsistent with the Articles, By-Laws or this Master Declaration. A copy of Association rules as they may from time to time be adopted, amended or repealed, shall be mailed or otherwise delivered to each Owner and Occupant. Upon such mailings said Association rules shall have the same force and effect as if they were set forth in and were part of this Master Declaration. In the event of any conflict between an Association rule or any provision of the Articles, By-Laws or this Master Declaration, the conflicting provisions of the Association rules shall be deemed superseded to the extent of any such inconsistency.
- (f) Emergency Power. The Association, or any person authorized by the Association, may enter onto any Lot or into any Building or other structure on a Lot in the event of any emergency involving illness or potential danger to life or property or when necessary in connection with any maintenance or construction for which it is responsible. Such taxes and assessments may be contested or compromised by the Association; provided, however, that they are paid or a bond insuring payment is posted prior to the sale or the disposition of any property to satisfy the payment of such taxes. In addition, the Association shall pay all other taxes, federal, state or local, including income or corporate taxes, levied against the Association in the event that the Association is denied the status of a tax exempt corporation.

- (e) Insurance. Obtain, from reputable insurance companies authorized to do business in the State of Idaho and maintain in effect the following policies of insurance:
 - (i) Fire insurance, including those risks embraced by coverage of the type now known as the broad form "All Risk" or special extended coverage endorsement on a blanket agreement amount basis for the full insurable replacement value of all improvements, equipment, fixtures and other property located within the Common Areas owned by the Association, including such equipment, fixtures and other property not located in the Common Areas, if the same are used or necessary for the use of the Common Areas or easement areas under the control of the Association.
 - (ii) Comprehensive public liability insurance insuring the Association, the Board, officers, the Grantor and the individual Owners and agents and employees of each of the foregoing against any liability incident to the ownership and/or use of the Common Areas owned by the Association or easement areas under the control of the Association. The limits of liability of such coverage shall be as determined by the Board of Directors.
 - (iii) Full coverage directors and officers liability insurance in an amount determined by the Board.
 - (iv) Such other insurance, including workmen's compensation insurance to the extent necessary to comply with all applicable laws and indemnity, faithful performance, fidelity and other bonds as the Board shall deem necessary or required to carry out the Association's functions or to insure the

- (v) The Association shall be deemed a trustee of the interests of all Owners in any insurance proceeds paid to it under such policies, and shall have full power to receive their interests in such proceeds and to deal therewith.

Until the creation and organization of the Association, the Grantor shall have the right to exercise all of the powers of the Association set forth in this Master Declaration.

ARTICLE VII.

MAINTENANCE OF PRIVATE ROAD AND SECURITY FACILITIES

SECTION 7.01. Ownership of Private Road and Security Facilities. At a date not later than the date that a Lot within The Woods No 3 is improved with a dwelling unit and occupied, the Grantor shall convey Lot 3, Block 2 of the Subdivision (hereafter "Private Road") to the Association and transfer title to any Improvement, equipment, property or system comprising the security system to the Association.

SECTION 7.02. Duty to Maintain Private Road. The Association shall be responsible for maintaining the Private Road which shall serve the other Lots therein. Such maintenance shall include, but not be limited to, the following: the repairing, patching, sealing, replacing and caring for the Private Road, curb and gutter improvements, including the sweeping and cleaning thereof, when required. As used herein, "Private Road" shall include the roadway surface, curbs, gutters and sidewalks, if any, located within said Lot 3, Block 2, and any appurtenant improvements located thereon or therein, such as street lights, street signs and landscaping.

SECTION 7.03. Duty to Maintain Security Facilities. The Association shall be responsible for maintaining all security facilities located within The Woods No. 3, except those which are installed by an Owner on a Lot and designed for the protection of the Building and/or Occupants thereof. Such maintenance shall include, but not be limited to, the following: the general maintenance and upkeep, repairing, replacing, restoration and rebuilding of all and any such security facilities as the same may be constructed and installed within The Woods No. 3 by the Grantor or the Association, including any appurtenances or related property used or necessary in connection therewith. In addition, if the operation of said security facilities requires the payment of on-going expenses to operate the same, such as utility expenses, the Association shall be responsible for the payment of all such on-going expenses. As used herein, "security facilities" shall include all equipment, property and systems installed to serve exclusively the Lots and the Owners within The Woods No. 3 or any other property annexed under this Master Declaration, on a common basis, but shall not include any such equipment, property or systems installed to serve less than all of such Lots and/or Owners.

SECTION 7.04. Liability for Damage. In the event that any maintenance, repair or replacement of all or any portion of the Private Road or the security facilities is

performed by the Association as a result of the willful or negligent act of an Owner, an Owner's family, guests or invitees, the cost of such maintenance, repair or replacement shall be reimbursed by said Owner to the Association and/or the Association may assess the cost of the same against said Owner and the Owner's Lot as a Limited Assessment, as provided in this Master Declaration.

SECTION 7.05. Cost of Maintenance, Repairs and Replacement. The cost of the maintenance, repairs and replacements of the Private Road and the security facilities within The Woods No. 3 and the continuing operational expenses, if any, including taxes, shall be paid by the Association from the funds of the Association obtained by Regular or Special Assessments against the Lots within The Woods No. 3. Such costs and expenses (hereafter "cost and expenses") shall be apportioned among the Lots within The Woods No. 3 on an equal basis. In the event the Association does not have adequate funds to pay the cost and expenses deemed by the Association to be required, the deficiency shall be assessed to each Lot, on an equal basis, as a Special Assessment.

The decision as to what costs and expenses are required with respect to the Private Road or the security facilities and the timing of the payment thereof shall rest solely with the Board.

SECTION 7.06. Easement for Maintenance. There is hereby reserved to the Association, its contractors and agents, an easement to enter upon the Lots within The Woods No. 3 for the purpose of accomplishing all maintenance, repair and replacement rights and duties set forth in this Article.

SECTION 7.07. Easement for Use. There is hereby reserved for the use and benefit of the Grantor and granted for the use and benefit of each Lot, and for the use and benefit of each Owner, and their respective successors and assigns, for the purposes incidental to the use and enjoyment of the Lots, a perpetual easement to enter on, over and across Lot 3 of Block 2 as shown on the recorded plat for The Woods No. 3, which Lot is to be used as the Private Road, providing ingress to and egress from each Lot. It is expressly understood and agreed that the easement herein created shall be absolute and non-exclusive and that in all respects the Private Road shall be used, and available for use, by all such persons, their tenants, guests, invitees and licensees in the same manner as if the Private Road were a public road, subject to the right of the Board to impose such rules, regulations and restrictions, as may be necessary, required or convenient to assure the privacy, security and well-being of each such Lot and the Occupants residing within The Woods No. 3, provided, however, that such shall not deprive or unreasonably restrict any of such Occupants the right to have access to and from such Lot.

Nothing herein contained shall prohibit or limit the right of the Grantor to extend the easement rights herein granted over, along and across Lot 3 of Block 2 of The Woods No. 3 to provide ingress and egress to property adjacent to The Woods No. 3, but not initially included within the Property as described in this Master Declaration. Such right of use of the easement herein created for ingress and egress over, along, and through said Lot 15 of Block 2 may be extended by the Grantor to such

additional property upon the annexation of such additional property under this Master Declaration or by the recording by the Grantor in the official records of Ada County, Idaho, of an easement document setting forth such rights of use and extension of the easement, which recorded document shall specifically describe the additional property to be benefitted thereby. In the event of the extension of the easement rights to such additional property, the Grantor shall make provision for the right of the Board to collect from the owners of said additional property of a reasonable sum as a contribution for the maintenance, repair and replacement of the Private Road and security facilities within The Woods No. 3, which contribution shall be reasonably related to use, should the Board not have the right, under the terms of this Master Declaration, to levy and collect any Assessment against such additional property. In addition, the Grantor shall have the right to grant an easement over, along and across Lot 3 of Block 2 of The Woods No. 3 to any governmental or quasi-governmental agency for access to any facilities owned, controlled or used by such grantees.

SECTION 7.08. Reserve for Maintenance, Repair and Replacement. The Association shall have the right to establish a reserve account for the payment of the costs and expenses as set forth herein with regard to the maintenance, repair and replacement of the Private Road and the security facilities and for the purpose of funding the same, the Board shall have the right to assess each Lot an amount to be included in a Regular or Special Assessment. The amount of said Regular or Special Assessment so determined for the purpose of funding the maintenance, repair and replacement reserve account shall be determined by the Board. The Board shall have the right to place all funds collected for the maintenance, repair and replacement reserve account in an interest-bearing account in an appropriate financial institution.

SECTION 7.09. ACHD Not Liable. It is acknowledged and agreed that neither Ada County Highway District nor any other governmental entity having jurisdiction and control over the public right(s)-of-way within Ada County shall have any obligation or responsibility to maintain, repair or replace all or any portion of the Private Road within The Woods No. 3 or the security facilities for The Woods No. 3. Any purported amendment to this Section to impose liability upon Ada County Highway District or any other governmental entity for the Private Road and/or the security facilities within The Woods No. 3 shall be of no force or effect unless Ada County Highway District or such other governmental entity shall expressly consent thereto.

ARTICLE VIII.

ASSESSMENTS

SECTION 8.01. Covenant to Pay Assessments. Each Owner hereby, and by acceptance of a deed to a Lot, covenants and agrees to pay when due all Regular, Special and Limited Assessments or charges made by the Association.

All such Assessments, together with interest, costs and reasonable attorneys' fees which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made, and shall be also the personal obligation of the Owner of such Lot at the time when the

Assessment become due and payable. The personal obligation for delinquent Assessments shall not pass to an Owner's successors in title unless expressly assumed by them. No Owner may waive or otherwise avoid liability for any Assessment by non-use of the Common Areas or by abandonment of his Lot.

SECTION 8.02. Regular Assessments. Regular Assessments shall be made by the Association at times and intervals deemed appropriate by the Board. The Regular Assessments shall be based upon advance estimates of cash requirements as determined by the Board for the maintenance and operation of the Common Areas and all easement areas, if any, controlled by the Association and for the performance by the Association of its other duties and responsibilities. Such estimates may include, but shall not be limited to, expenses of management, taxes and special assessments of local governmental units, premiums for all insurance which the Association is required or permitted to maintain hereunder, landscaping and care of grounds, lighting, water charges, trash collection, sewerage charges, repair and maintenance, legal and accounting fees, and any deficit remaining from previous periods and the creation of a reserve, surplus and/or sinking fund(s).

SECTION 8.03. Special Assessments. In addition to Regular Assessments, the Association may levy at any time a Special Assessment payable over such period as the Board may deem appropriate for the following purposes:

- (a) To defray, in whole or in part, the cost of any construction or reconstruction of improvements on a Common Area, unexpected repair or replacement of a Common Area or any facility located thereon or an easement area controlled by the Association, the furnishing of a special service or services (other than those appropriate for a Limited Assessment), or for any other expenses incurred or to be incurred as provided in this Master Declaration.
- (b) To cure a deficit in the common and ordinary expenses of the Association for which Regular Assessments for a given calendar or fiscal year are or will be inadequate to pay, as determined by the Board.

SECTION 8.04. Limited Assessments. In addition to Regular and Special Assessments, Owners shall pay Limited Assessments as follows:

- (a) Maintenance and Repair. The Association shall have the power to incur expenses for maintenance and repair of any Lot or any improvements on a Lot, if such maintenance and repair is necessary, in the opinion of the Board, to protect the Common Area or any other portion of the Property, and if the Owner of said Lot has failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity thereof has been delivered by the Board to said Owner. The Board shall levy a Limited Assessment against the Owner of the Lot owned by

said Owner to pay for the cost of such maintenance and repair, and any other cost or expense, including attorneys' fees, arising out of or incident to such maintenance and repair and the Assessment therefor.

- (b) Correction of Violations. In addition to maintenance and repair, the Board, upon certification from the ACC of the failure or refusal of an Owner to correct a violation of this Master Declaration or the ACC Rules/ACC Standards, shall have the power to correct any such violation on a Lot or any Improvement on a Lot, and incur costs necessary in connection therewith. The cost of such corrective action, together with interest, related expenses and attorneys' fees shall be assessed and collected as set forth in Article X of this Master Declaration.
- (c) Limited Purpose. The Association shall have the power to levy a Limited Assessment against Owners and Lots for any limited special purpose which the Board believes necessary with respect to certain Lots but not an appropriate expense for payment by the Association. Such Limited Assessment shall not be made until the Owners of said Lots subject thereto have been given an opportunity, after notice, to participate in a hearing with respect to said Limited Assessment.

SECTION 8.05. Commencement of Regular Assessments. Regular Assessments of the Association against each Lot shall commence the earlier of the following: (i) six (6) months following the closing of the first sale of a Lot to an Owner, or (ii) the occupancy of the first Building constructed on a Lot. Provided, however, that any Lot owned by the Grantor shall be assessed a Regular Assessment not exceeding ten percent (10%) of the amount assessed against Lots owned by other Owners. If the Grantor pays all or any portion of the expenses of the Association in excess of the amount assessed to Lots owned by the Grantor, such excess amounts so paid shall constitute a prepayment of Assessments (Regular and Special) to become due and payable on the Lots owned by the Grantor within The Woods No. 3; provided that unless such excess amounts so paid by the Grantor are paid pursuant to a written agreement with the Association to the contrary, the Grantor shall not be entitled to reimbursement in cash of any such Assessment credit nor shall such credit inure to an Owner purchasing a Lot from the Grantor, unless such person is the successor to substantially all of the interest of the Grantor in the Property. Nothing herein contained shall obligate the Grantor to pay any Assessment with respect to a Lot as long as the Grantor owns fifty percent (50%) or more of the Lots within The Woods No.3.

SECTION 8.06. Uniform Rate of Assessment. Except as expressly provided to the contrary in this Master Declaration, Regular and Special Assessments of the Association shall be fixed at a uniform rate for all Lots.

SECTION 8.07. Interest and Penalties. Any Regular, Special or Limited Assessment levied by the Association on Lots, if not paid when due, shall bear interest

at an annual rate as shall be set by the Board from time to time, or if none is so set, at an annual rate of twelve percent (12%). Such interest shall commence on the date the Assessment becomes due and payable. In addition to the interest charge the Board may, in accordance with rules and regulations promulgated by it, impose additional fines or charges for the failure of an Owner to timely pay any Assessment when due. The right of the Board to charge interest or impose additional fines or charges shall be in addition to, and not in lieu of, any other right of enforcement or sanction available to the Board in the event of non-payment of an Assessment.

ARTICLE IX.

ENFORCEMENT OF ASSESSMENTS

SECTION 9.01. Right to Enforce. The right to collect and enforce payment of the Assessments made by the Association is vested in the Association. Each Owner of a Lot hereby agrees to the enforcement of the payment of all Assessments in the manner herein provided. In the event an attorney is employed for the collection of an Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of any of the terms and conditions of this Master Declaration, the Owner against whom such enforcement is sought shall pay reasonable attorneys' fees in connection therewith.

SECTION 9.02. Creation of Assessment Liens. There is hereby created a continuing claim of lien with power of sale on each and every Lot to secure payment of any and all Assessments levied against any and all Lots in The Woods No. 3 pursuant to this Master Declaration, together with interest thereon and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. Said lien shall be prior and superior to all other liens or claims created subsequent to the recordation of this Master Declaration except only for: (i) valid tax and special assessment liens on Lots in favor of any governmental unit assessing authority; (ii) a lien for all sums unpaid and secured by a first Mortgage or first Deed of Trust, duly recorded in Ada County, Idaho, including all unpaid obligatory advances to be made pursuant thereto; and (iii) labor or materialman's liens, if the same are prior by reason of applicable law. All other lien holders acquiring liens on any Lot after recordation of this Master Declaration shall be deemed to consent that such liens shall be inferior liens to the lien for Assessments levied by the Association, whether or not such consent be specifically set forth in the instruments creating such other liens.

SECTION 9.03. Enforcement. Upon the failure of an Owner to pay an Assessment in accordance with its terms, the lien for Assessment herein created may be enforced by sale by the Association, such sale to be conducted in the manner provided by law in Idaho for the exercise of the power of sale in Deeds of Trust or in any other manner permitted by law elected by the Board. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, including all reasonable attorneys' fees. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure.

The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire and thereafter hold, convey, lease, rent, encumber, use and otherwise deal with and in said Lot as the Owner thereof.

SECTION 9.04. Notice Required. Notwithstanding anything to the contrary contained in this Master Declaration, no action may be brought to foreclose the lien for any Assessment, whether by power of sale or otherwise, until the expiration of thirty (30) days after written Notice of Default has been deposited in the United States mail, certified or registered mail, postage prepaid, return receipt requested, addressed to the Owner of the Lot described in such Notice at the last known address of the Owner as shown on the books and records of the Association. Said Notice shall specify the amount and due date of the unpaid Assessment(s) and the legal description of the Lot.

SECTION 9.05. Non-Exclusive Remedy. The remedies set forth in this Article or elsewhere in this Master Declaration shall not be deemed to be an exclusive remedy and the Association may pursue all other remedies available at law or in equity.

ARTICLE X.

ARCHITECTURAL CONTROL COMMITTEE

SECTION 10.01. Members of the Committee. The Architectural Control Committee shall be comprised of at least three (3) persons, all of whom shall be appointed as herein provided. A member of the ACC shall hold office until he has resigned or has been removed, but in any event, until said Member's successor has been appointed. Members of the ACC may be removed at any time, with or without cause.

SECTION 10.02. Appointment. So long as the Grantor owns any Lot or parcel within the Property, the Grantor shall have the sole right to appoint and remove all members of the ACC. Thereafter, all members of the ACC shall be appointed or removed by the Board.

The ACC shall have the right by a resolution in writing unanimously adopted, to designate one (1) of its members to take any action or perform any duties for and on behalf of the ACC. In the absence of such designation, the vote of any two (2) members of the ACC shall constitute an act of the ACC.

SECTION 10.03. Compensation. The members of the ACC shall be entitled to reasonable compensation from the Association for services rendered, together with reimbursement for expenses incurred by them in the performance of their duties hereunder, said compensation to be determined by the Board.

SECTION 10.04. Non-Liability. Neither the ACC, or any member thereof, or the Grantor or any partner, officer, employee, agent, successor or assign thereof, shall be liable to the Association, any Owner or any other person for any loss, damage or injury arising out of or connected with the performance by the ACC of its duties and responsibilities by reason of a mistake in judgment, negligence or nonfeasance arising

out of or in connection with the approval or disapproval or failure to approve an application. Every person who submits an application to the ACC for approval of plans and specifications agrees, by submission of such an application, and every Owner or Occupant of any Lot agrees, by acquiring title thereto or an interest therein, not to bring any action or suit against the Association, the ACC, or any member thereof, or the Grantor or any officer, partner, employee, agent, successor or assign thereof to recover such damages.

SECTION 10.05. Approval Required. No construction, alteration, modification, removal or destruction of any Improvements of any nature whatsoever, whether real or personal in nature, shall be initiated or be permitted to continue or exist within the Property without the prior express written approval of the ACC.

SECTION 10.06. Basis of Approval. Approval by the ACC shall be based, among other things, on the ACC Rules/ACC Standards, the adequacy of the Lot dimensions; conformity and harmony of external design with neighboring Improvements, the effect of location and use of Improvements on neighboring Lots; operations and uses; relations to topography, grade, finished ground elevation and landscaping of the Lot being improved to that of neighboring Lots; proper facing of the main elevation with respect to nearby streets; the relation of floor elevations to flood elevations as defined by government entities; and the conformity of the plans and specifications to the purpose and general plan and intent of this Master Declaration.

SECTION 10.07. Variances. The ACC may authorize variances from compliance with the requirements of any conditions and restrictions contained in this Master Declaration, the ACC Rules/ACC Standards, or any prior approval when, in the sole discretion of the ACC, circumstances such as topography, natural obstructions, aesthetics or environmental considerations or hardship may so require. Such variances must be evidenced in a writing signed by at least two (2) members of the ACC.

If a variance is granted as provided herein, no violation of this Master Declaration, ACC Rules/ACC Standards or prior approval shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Master Declaration or the ACC Rules/ACC Standards for any purpose except as to the particular subject matter of the variance thereof and the specific Lot covered thereby.

The ACC shall have the right to consider and grant a variance as herein provided either with or without notice to other Owners or a hearing of Owners thereon.

SECTION 10.08. Application. To request ACC approval for the construction, alteration, modification, removal or demolition of any improvements within the Property, the Owner shall submit a written application in a form required by the ACC which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereafter provided.

All applications must contain, or have submitted therewith, the following material (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:

- (a) Site Plan. A site plan showing the location of the Building(s) and all other structures and improvements including fences and walls on the Lot, Lot drainage and all set backs, curb cuts, driveways, parking areas and other pertinent information relating to the improvements.
- (b) Building Plan. A building plan which shall consist of preliminary or final blueprints, elevation drawings of the north, south, east and west sides, and detailed exterior specifications which shall indicate, by sample if required by the ACC, all exterior colors, materials and finishes, including roof, to be used.
- (c) Landscape Plan. A landscape plan for portions of the Lot to be landscaped which shall show the location, type and size of trees, plants, ground cover, shrubs, berming and mounding, grading, drainage, sprinkler system, fences, freestanding exterior lights, driveways, parking areas and walkways.

The ACC may, in its discretion, require the Owner to furnish additional specifications, drawings, material samples or such other information as the ACC, in its sole discretion reasonably exercised, shall deem necessary or convenient for the purpose of assisting the ACC in reviewing and processing the application.

The ACC shall have the right to require an Owner submitting an application for approval of plans and specifications to pay a fee at the time the application is submitted, the amount of such fee to be based upon the reasonable and actual expenses of the ACC in reviewing and processing the application. The ACC shall not be obligated to commence the review and processing of an application until such fee, if required, is paid.

SECTION 10.09. Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgment to assure that all improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain The Woods No. 3 as a first class residential development.

Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within forty-five (45) days after the receipt of a properly submitted application. The decision of the ACC can be in the form of an approval, a conditional approval or denial. The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application.

A conditional approval shall set forth with particularity the conditions upon which the application is approved and the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate.

A denial of an application shall state with particularity the reasons for such denial.

SECTION 10.10. Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Lot at any time. Such inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating therefrom or is violating this Master Declaration or the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC is empowered to receive from other Owners ("Complainant") complaints in writing involving deviations from approved applications or violations of this Master Declaration or any applicable ACC Rules/ACC Standards. In the event the ACC receives such a complaint from a Complainant, it shall first determine the validity of such complaint by inspection or otherwise.

Should the ACC determine that there has been a deviation or a violation, it shall promptly issue a notice in writing thereof to the Owner and to the Complainant, which notice shall specify the particulars of the deviation or violation and shall demand that the Owner conform to either or both of the following directives:

- (a) The Owner shall immediately cease the activity which constitutes a deviation or violation.
- (b) The Owner shall adhere to the corrective measures set forth in the written notice.

Should the ACC determine there has been no deviation or violation, it shall promptly issue a notice of such determination to the Owner and the Complainant.

SECTION 10.11. Hearing. An Owner submitting an application under Section 10.08, above, or served with a written notice of deviation or violation, or a Complainant shall have the right to request and be heard at a hearing held by the ACC for the purpose of presenting facts and information to the ACC. Such hearing must be requested by such party within ten (10) days from the date the written notice of the decision of the ACC is mailed to the Owner (and Complainant) as evidenced by the records of the ACC. The hearing shall be held within ten (10) days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten (10) business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or

expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Complainant unless an Owner is found to be in violation, in which event such Owner shall pay all such costs.

The payment of such costs shall be enforceable as provided in Section 10.13, below.

SECTION 10.12. Appeal. Either an Owner or a Complainant shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner or the Complainant reached following a hearing held pursuant to Section 10.11, above, provided, however, that neither an Owner nor a Complainant shall be entitled to such an appeal with respect to deviations or violations unless said Owner or Complainant has participated in the ACC hearing.

A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten (10) days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the Owner and the Complainant, if any, and a copy of the written decision or determination of the ACC. The failure of an Owner or Complainant to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner or Complainant to appeal said decision and it shall be binding and enforceable.

The Board shall fix a date for the hearing of such an appeal which date shall be no later than ten (10) days from the date of receipt of a notice of appeal unless extended by the Board because of the unavailability of Board members. The Owner and Complainant, if any, shall be advised of the time and place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC.

The Board may require the Owner or Complainant to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such a request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal.

At the hearing the Owner, Complainant, if any, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the discretion of the Board provided, however, that the Owner, the Complainant, if any, and the ACC shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner, the Complainant, if any, and the ACC will have the opportunity to present final argument consistent with rules adopted by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or the Board.

Upon receiving all of the evidence, oral and documentary, and following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official

ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner, the Complainant, if any, and the ACC members shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed.

If the Board incurs any costs or expenses in connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided in Section 10.13, below.

A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

SECTION 10.13. Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Association to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Property, the continuation of which violates the provisions of this Master Declaration, the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC shall not commence such legal or equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings.

The authority of the ACC as herein provided shall include the power to retain legal counsel and expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall be paid by the Association.

In the event the ACC and/or Association shall prevail in any such legal or equitable proceedings, all costs and expenses incurred in connection therewith including, but not limited to, attorneys' fees shall be reimbursed to the Association by the Owner against whom said proceedings are filed and upon the failure of said Owner to reimburse the Association within five (5) days after written demand therefor is mailed to the Owner, the Association shall have the right to levy a Limited Assessment against the Owner and the Lot owned by the Owner which Assessment shall be equal to said costs and expenses incurred plus any additional costs and expenses incurred in levying the Assessment. Said Limited Assessment shall be due and payable at such time or in such installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said assessments, or any installment thereof when due, shall be enforceable in the manner provided in Article VIII, above.

SECTION 10.14. Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner or the Complainant, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation or the costs and expenses incurred by the Association to correct the same shall be assessed as a Limited Assessment against the Owner and the Lot owned by said Owner, or the Complainant and the Lot owned by the Complainant, as the case may be, which Limited Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion. The right of the Board to enforce said Limited Assessment shall be the same as provided in Article VIII, above.

SECTION 10.15. Non-Exclusive Remedy. The right of the Association to levy a Limited Assessment as described in Sections 10.13 and 10.14, above, shall not be deemed to be an exclusive remedy of the Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said Limited Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

SECTION 10.16. Private Rights. The Association shall not have the right to mediate or litigate private disputes between Owners where there is a legal or equitable remedy available to resolve said dispute when, in the sole discretion of the Board, the interests of the Association or a substantial number of the Owners would not be benefitted thereby.

ARTICLE XI.

Any amendment to this Section 12.02 shall require the vote or written consent of eighty percent (80%) of all Owners.

SECTION 12.06. Acceptance. Each Owner of a Lot, each purchaser of a Lot under a contract or agreement of sale and each holder of an option to purchase a Lot, by accepting a deed, contract of sale or agreement or option, accepts the same subject to all of the covenants, conditions, restrictions, easements and other provisions set forth in this Master Declaration and agrees to be bound by the same.

This Section shall extend to and apply also for the indemnification of the Grantor during the initial period of operation of the Association or prior thereto during the period the Grantor is exercising the powers of the Association.

PROPOSED CHANGE OF WATER RIGHT

Boise Valley Irrigation Ditch Co. of 8750 N Bogart Lane, Boise, ID, 83714 filed Application No. 75285 to transfer one water right with a 1865 priority date from the Boise River totaling 49.51 cfs. The transfer proposes to change the nature of use of water right 63-31832 for 5 acres of irrigation (16.1 af and 0.10 cfs) to mitigate for the evaporative losses from 4 ponds in the Woods No. 3 Subdivision. Application for permit 63-33136 is being processed for the ponds. There is no change in the Boise River point of diversion and the new place of use is within the applicant's service area. Water will be used at the subdivision in northwest Boise, about 0.2 miles south of State St. and adjacent to Bogart Lane on the west.

Permits will be subject to all prior water rights. Protests may be submitted based on the criteria of Idaho Code § 42-211 / § 42-222. For specific details regarding the application, please contact the Idaho Department of Water Resources (IDWR) Western Region at 208-334-2190 or visit www.idwr.idaho.gov with details provided under "new water right applications."
