RE: Change in Ownership Water Right No. 35-2052 & 35-7746

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership as well as receipt of your check number 3912 in the amount of \$25.00; please find a copy of receipt number #E036187 enclosed.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee** of \$25 per water right

**** **Completed form**

In order for the department to complete your request, please complete the 1st page of your ownership change form, please find the first page of your application enclosed please fill in the appropriate water right numbers and return the first page to our department. The water right numbers were not listed on the front page of your application, according to our research water right number 35-2052 & 35-7746 as listed above are appurtenant to property as specified by the deed provided with your application, the department has enclosed a map showing the place of use of previously mention water rights. Furthermore, there is a \$25.00 fee per water right, so if you feel you are entitled to the entire place of use of both of these water rights the total fee is \$50.00, so an additional \$25.00 would be required.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

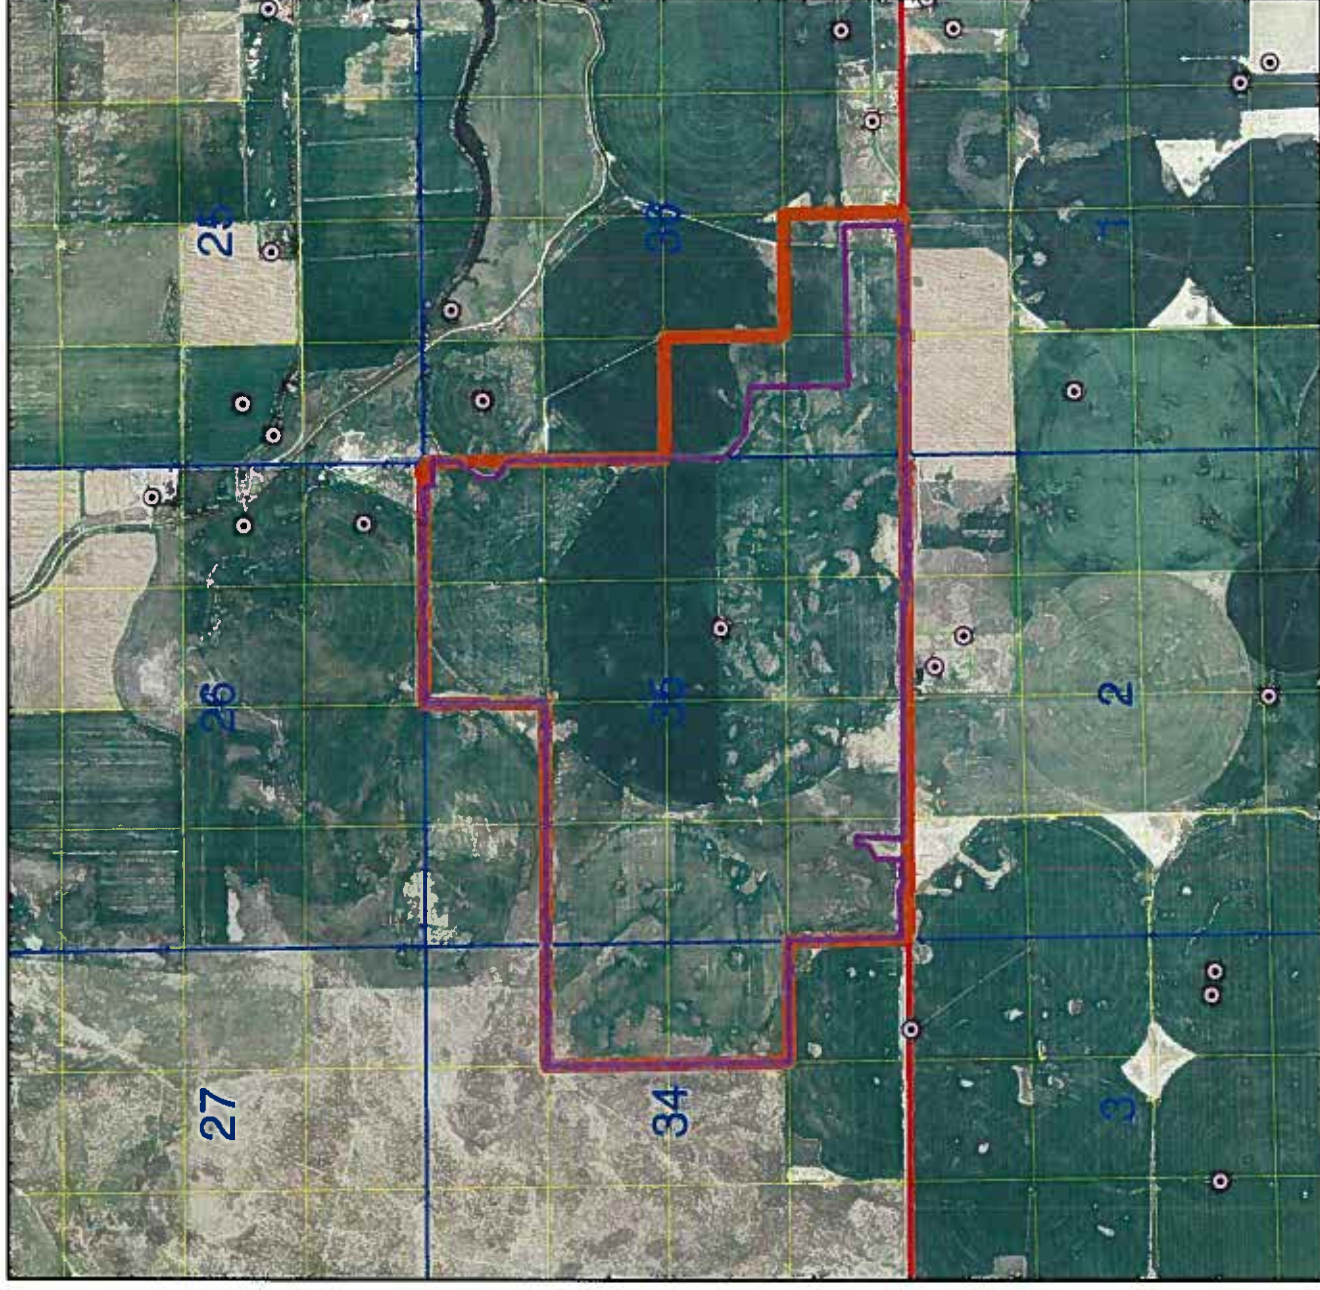

Jonie Barg
Technical Records Specialist
