Boise, ID 83705Subject: Applications for Transfer (2)
Application for Permit No. 65-23127 Amendment

Dear Western,

Enclosed on behalf of J & G Development, Inc. is an Application for Transfer in the name of Reed Ditch Company and an Application for Transfer in the name of Letha Irrigation and Water Co., Inc. The transfers seek to mitigate Application for Permit No. 65-23156 filed with IDWR August 20, 2007.

The fee for each transfer was calculated based on the quantity of water being transferred, not the amount of the entire right. Check No. 1268 for \$350 is enclosed; \$100 for the Reed Ditch Company transfer and \$250 for the Letha Irrigation & Water Co., Inc. transfer.

Also enclosed is an Amended Application for Permit No. 65-23127. The original application was filed with IDWR June 14, 2007. Two wells are still proposed, however, additional points of diversion have been added for flexibility in development of this application.

Please let me know if there are any questions.

Sincerely,

Lori Graves
