Re: Notice of Security Interest in a Water Right (5)

To Whom It May Concern:

In reviewing documents for our above referenced customer, it was found that the Notice of Security Interest was not filed with the IDWR in regards to water rights that were mortgaged and pledged as security.

I have enclosed (5) Notice of Security Interest in a Water Right along with a check in the amount of \$125.00 to secure the water rights.

For your information, American AgCredit, is a successor in merger by Farm Credit of the Heartland and also by Farm Credit Services of Central Kansas. I have enclosed 2 letters from Farm Credit Administration dated January 5, 2009 and December 4, 2009 for confirmation on this issue.

I have also enclosed documents confirming the release of security by Zions First National Bank and are as follows:

- (1) Release of Mortgage executed by Zions First National Bank
- (2) State of Idaho UCC termination by Zions First National Bank, Filing No.#B 6493180

The documents below confirm the water rights are secured by American AgCredit.

- (1) Farm Credit Services of Central Kansas, FLCA Security Agreement
- (2) Farm Credit Services of Central Kansas, FLCA Mortgage and Security Agreement
- (3) State of Idaho UCC Financing Statement, Instrument #261485
- (4) Farm Credit of the Heartland, PCA Security Agreement
- (5) Farm Credit of the Heartland, PCA Mortgage and Security Agreement
- (6) State of Idaho UCC Financing Statement, Instrument #261487

Thank you for your assistance in this matter and please let me know if you need any further information.

Sincerely,

Tobias Carson
