Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

The ownership of Water Right 51-10215 was not changed as this right was decreed as a disallowed right in the Snake River Basin Adjudication. Water Right 51-2015B was combined with 51-2015A in the SRBA into 51-2015 and is currently owned by JR Simplot Company. Water Right 51-7315 is an Application for Permit and requires an Assignment of Application for Permit, which I have enclosed. It needs to be signed by Eric Davis, a representative for Bruneau Cattle Company, notarized and returned to this office.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
