Dear Department of Water Resources,

Enclosed is our completed Application for Permit for an additional water right for ground water to irrigate a portion of our property. I am enclosing a check of \$100.00 as indicated in the fee schedule.

I am also submitting this information to the Idaho Fish and Game office in Salmon, Idaho, and the Department of Environmental Quality office in Idaho Falls, Idaho.

The following are included with this permit application:

- Continuation sheet for Item #11
- My letter of 5 April 2010 (to the Boise office of Department of Water Resources asking for information) that outlines a brief history of our well development
- Well driller's report
- Oblique aerial photo illustrating our property, wellhead location, areas already licensed for water rights, and the area for which we are requesting additional water rights.
- A satellite photo/map of the property location with Township and Range divisions superimposed
- A rough map of our property location within the Rocky Mountain Meadows subdivision.

If you need additional information, please contact us at 208-879-4756 or e-mail to rsbradley@custertel.net.
