Dear Angela,

I am in receipt of your letter dated December 23, 2009 concerning Application for Transfer No. 74563. Thank you for sending this to my attention. As you note in the letter, and unbeknownst to me, a name change was filed in June of 2009 when the Nagel Beverage Co. sold to Pepsi Bottling Ventures of Idaho Inc. With the sale, Nagel Beverage Company ceased to exist and a completely new management team took over the facility with new contact numbers and e-mails that I was also not aware of.

Hydro Logic, Inc. closed its offices for the last two weeks of December in 2009 so your letter was not opened by us until January 5th of 2010. I was eventually able to contact the new owners to reconnect with them and to determine whether they wanted to retain Hydro Logic, Inc. to continue representing them on water rights issues. The answer, I have learned today, is yes, they would like me to continue to see this transfer through to fruition.

Owing to the extenuating circumstances of the timing and change of ownership coincidences, I am requesting an extension of time of 30 additional days for a response to your letter.

Please consider this request and let me know if you need a more formal letter rather than this e-mail.

Respectfully,

Ed Squires
