Dear Mr. Harris,

I just left you a voice mail but I was on your website and found your e-mail address so I thought I would drop you a quick line.

On September 8, 2010, I sent out an order withdrawing a preliminary order withdrawing permit 22-7114. I also sent out a permit amendment for licensing purposes for 22-7114. This was sent to Steveco Canyon Farms Inc and Norwest Farm Credit Services FLCA. You should have received a copy too. The package sent to Steveco bounced back to me in the mail. Despite that you were CC'd on the cover letter, I am not 100% sure you were sent all the information in the packet.

Just to be on the safe side, I am attaching the documents that were mailed to your clients.

My understanding is that there is SRBA status conference set for 9-29-10, and I wanted to make sure that you were aware of the status of Permit 22-7114.

Sincerely,

Craig L. Saxton
